**SUPPLEMENT TO THE PROXY STATEMENT FOR THE  
ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON December 14, 2018**

This proxy statement supplement, dated November 27, 2018, supplements the definitive proxy statement (the “Proxy Statement”) filed by SilverSun Technologies, Inc. (the “Company”) with the U.S. Securities and Exchange Commission (the “SEC”) on November 1, 2018, and made available to the Company’s stockholders in connection with the solicitation of proxies by the Board of Directors of the Company (the “Board”) for the 2018 Annual Meeting of Stockholders to be held on December 14, 2018 and any adjournment or postponement thereof (the “Annual Meeting”).

This supplement is being filed with the SEC and is being made available to stockholders on or about November 27, 2018. Only stockholders of record of Common Stock and Series B Preferred on the books of the Company as of 5:00 P.M., November 5, 2018 will be entitled to receive notice of and to vote at the Annual Meeting.

Except as described in this supplement, the information provided in the Proxy Statement continues to apply. To the extent that information in this supplement differs from or updates information contained in the Proxy Statement, the information in this supplement is more current. **The Proxy Statement contains important additional information. This supplement should be read in conjunction with the Proxy Statement.**

**Removal of Proposal No. 3 From Stockholder Consideration**

On November 23, 2018, the Board determined to withdraw Proposal No.3, a proposal to approve the adoption of the SilverSun Technologies, Inc. 2018 Equity and Incentive Plan, from consideration by the stockholders at the upcoming Annual Meeting. The Board has therefore withdrawn Proposal No. 3 from the agenda for the Annual Meeting. All other proposals presented in the Proxy Statement remain on the agenda for the Annual Meeting.

As a result of the removal of Proposal No. 3 from stockholder consideration at the Annual Meeting, the Company notes the following important matters regarding voting:

- The Company will not make available or distribute, and you do not need to sign, new proxy cards or submit new voting instructions as a result of the removal of Proposal No. 3.
  - Any proxy card or voting instructions received in the future for Proposal No. 1 and Proposal No. 2 will be valid.
  - Proxy cards or voting instructions received with direction on Proposal No. 3 will not be voted on Proposal No. 3. Proxy cards or voting instructions received and providing direction on the remaining proposals to be considered at the Annual Meeting (i.e., Proposal No.1 and Proposal No. 2) will remain valid and will be voted on as directed.
  - If you already submitted a proxy card or voting instructions, you do not need to resubmit proxies or voting instructions with different directions, unless you wish to change votes previously cast on the remaining proposals.
